"A COUPLE OF MEN IN MY BED WOULD WORK!"

EDITORIAL

Well, that last budget from the chancellor stitched us up good and proper. Among all the headlines about stamp duty and cider, it seemed to slip the media's notice that Darling also put a 10% stealth tax on babes, a 4% levy on mega-hotties and a windfall tax on cock-stiffeningly fit foxes. But worry not, we're bringing some of our favourite babes together in London soon, and you can party with them. Go to *www.britainsgottotty.com* for details! ♣

A FAIR COP

Dear *Club*

I used to date a bloke I'll call Paul, who was a copper. I loved to fuck him in his uniform, and one day he took the role playing to a whole new level. He had me dress up like a pro and walk along the street, then picked me up in his car – along with a colleague I'd never met.

I sat in the back and Paul spoke to me like he didn't even know me. I wondered whether his mate was even in on our game! Then – grinning – he trained the rearview mirror on my cunt, and told me to play with it while he watched.

I pulled my knickers to one side and fingered my shaven hole. My juices were already flowing, all over the backseat. We drove to an old factory site, derelict and pretty sleazy. Paul told me to get out and spread against the car. He stayed in his seat and watched as Michael patted me down.

He got my tits out of my skimpy top and had me flatten them against the window. I could see my boyfriend wanking himself off as his mate touched me all over. Now Michael was flipping up my skirt and pulling down my knickers, hands creeping back up my thighs to cup my pussy, squeezing my swollen lips together around my clit.

Paul was talking dirty, telling me what a slut I was as he wanked off. "No shit, officer!" I said. He told me to keep my mouth shut if it wasn't sucking cock. He told Michael to give me a good fucking, to see if that would shut me up – knowing it would have the opposite effect! I moaned as Michael played his dick over my slit, and made more noise as he started to hump me.

He sunk in deep, then began thrusting again, slamming in until I felt his cum spurt out in my cunt. He spun me around and I pressed my arse up against the window, spunk and juices trickling

CANAPE OF WORMS

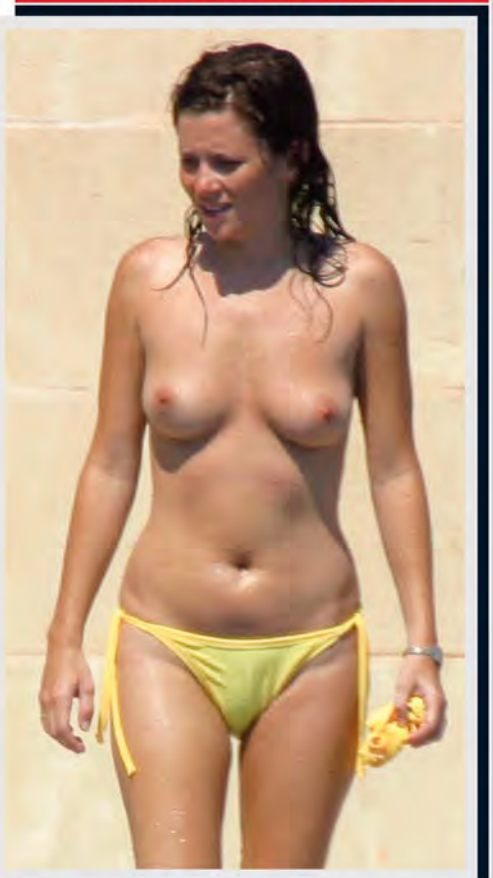
Dear *Club*

You lucky, lucky bastards. You swan off to some porn star awards (*Club* 39/4), rub shoulders with the likes of Angel Long and lots of birds getting their tits out, and there's a free bar as well? Where was my invite? Where's my parade? Sort it out *Club*.

Leon, Liverpool

Someone's got to do it Leon, and it might as well be us. Don't worry though, we've got an exciting night in the pipeline where you'll get to rub shoulders with the cream of the Paul Raymond girls – Angel Long, and *Club*'s soon to be unveiled regular girl included – and you might even cop a private dance off of one of them. There's your parade...

FRIEL OF DREAMS



Dear *Club*
Your new *Popshot Culture* feature has taken me right back to the days when I used to scour mags and the internet for celebrity skin. It didn't matter how insignificant they were, if they were getting their boobs and bum out on telly or a film I was all over it. It's rubbish now though, it's just scratty shots of no-marks in up-skirt paparazzi shots. The days of Anna Friel getting the whole lot out on BBC One seem to be long gone, and I still remember buying *Club* when you were the first to show Ginger Spice's ginger space before anyone else. Come on proper TV and film stars, let's see a bit more!
Keith, Charlton

Cheers Keith, we think *Club* has always been home to a bit of celeb flashing, that's why we brought it right back. Which modern day soap and film stars do you want to see in the buff? Let us know at the usual address.

out down the glass as Paul wanked in a frenzy. Then he got out of the car, presented me with his cock and fucked my mouth for a few strokes before he pumped his lovely salty wad down my throat.

On the drive back, Michael said Paul never stopped bragging about his dirty, kinky girlfriend, and I more than lived up to his stories. They'd have been in seriously deep shit if their Sargeant had ever found out – but I'm grassing them up after the fucking I got!

Okay, Vicki's wearing leopardprint, we know...

Anyone for crabbing? Because whenever we knock around rock pools, we just find loads of the little scuttling buggers, and not much evidence of sorts like Vicki prancing around in the altogether. What's she up to?

"Well, I'm not looking for crabs, I'm just trying to get an all-over tan in peace."

Sorry to trouble you...

"No, you're okay. Male company is always welcome. You can rub some cream into those hard-to-reach places. And for some reason, my pussy is a really hard-to-reach place!"

Short arms?

"Just get on with it, will you? Jesus, some guys don't know they're born."

We'll have less lip please, Vicki, We don't see those crabs rubbing cream in for you any time soon... ♣

Tiffany takes a wrong turn to her interview...

Either Tiffany's washing machine is broken and she's come up with a novel way of getting her clothes clean, or she's hoping for a Robert Palmer revival in 2010. Which is it?

"Well, let's be frank about this. I'm a model and the photographer thought it would be a good idea if I got in the shower in a shirt and tie. It doesn't feel too comfortable, but it looks good, right?"

It looks great. We're going to interview all prospective female members of staff in a shower from now on.

"Isn't that harassment?"

Erm, we'll check with human resources on that. Maybe it'll be an option. You'd go for it, wouldn't you?

"Think again. The water's cold to make my nipples hard. It's fucking freezing in here!" ♣

CLUB'S ROUGH GUIDE TO... THE WORLD SNOOKER CHAMPIONSHIPS

POT THE REDS AND SCREW BACK, FOR THE YELLOW, GREEN, BROWN, BLUE, PINK AND BLACK. SNOOKER LOOPY NUTS ARE WE, MATT LOXHAM'S SNOOKER, LOOPY...

HISTORY

The first ever World Snooker Championship was held in 1927 and won by green baize legend Joe Davis, who also helped organise the event. Indeed, Davis won every World Championship up until 1940, when the tournament took a break for the remaining second world war years.

The Championships returned in 1946, when, you guessed it, Joe Davis added yet another title to the CV, thus cementing an incredible legacy in the game. Incidentally, this was the last World Championships that he would take part in, protecting an incredible and still unbeaten record of 15 straight victories.

However, all Joe standing down succeeded in achieving was paving the way for his younger brother, Fred, who won the title three times over the late-40s and early-50s.

In 1952, snooker entered a period of decline, and endured a split between the two governing bodies – the Billiards Association and the Control Council – and a barren time between 1958 and 1963 when there was actually no tournament held at all.

A fragmented version emerged in 1964, where challenge matches took place sporadically throughout the year, and ran until 1969, which saw the return of the knockout format and a victory for John Spencer.

The 70s produced a popular champion in the vampire lookalike Ray Reardon, who won an awesome six titles between 1970 and 1978. Significantly, the World Championships moved to the current spititual home of snooker – The Crucible in Sheffield – in 1977, and the BBC began providing the tournament with extensive TV Coverage. Thus began a boom time for the sport, with the World Championships attracting huge TV audiences.

Although in recent years the game has been mired in somewhat of a slump, the emergence of several talented oriental players and young British cuesmen has seen interest back on the rise, and this year's tournament, with its heady combination of youth, excitement and experience, promises to be the most fascinating for some time.

MODERN LEGENDS

STEVE DAVIS

During a period in the 80s that saw him win six World Championships, four UK Championships, three Grand Prix Trophies and a whole host of non-ranking events, Steve Davis almost turned the world of snooker into a procession.

Such was 'The Nugget's' domination of the game that fans loved it when he lost, and the 1985 final – when Davis lost to Ireland's Dennis Taylor on the black ball of the deciding frame – attracted a staggering post-midnight audience of around 18.5 million viewers.

The Ginger Magician's star began to dwindle during the 90s, and his last major success came in the 1997 Masters, but Davis is still ranked amongst the top 32 players in the game and lines up against fellow Essex boy Mark King in this year's World Championships.

STEPHEN HENDRY

Widely regarded as the greatest player that snooker has ever seen, in the 90s Hendry did what many thought would be impossible when he eclipsed Steve Davis' awesome record in the game.

With seven World Championship titles to his name between 1990 and 2000, and countless other ranking tournament victories, The Maestro took domination of the sport to new levels, and many fans and pundits wonder if his incredible achievements will ever be matched.

Even more impressive is the fact that Hendry is still in the top 16 players in the world, and he lines up against Chinese rising star Anda Zhang at the Crucible.

RONNIE O'SULLIVAN

Many consider 'The Essex Exocet' to be the most naturally gifted player to have ever graced the green baize, and he's won the World Championship three times – in 2001, 2004 and 2008.

Although O'Sullivan's record in the game is impressive, and he's been ranked number one in the world a total of five times, some critics consider a combination of his unpredictable temperament and a series of controversial incidents he has been involved with have led to The Rocket underachieving in the sport, considering his

awesome ability.

Records like the fastest ever televised 147 and career earnings that are second only to the great Stephen Hendry mingle with assaults on media officials, a controversial match forfeit and even accusations of weeing in a plant pot prior to a game. A fascinating draw sees Ronnie take on another Chinese sensation, Liang Wenbo, at this year's World Championships.

HOT SHOTS

DING JUNHUI

Chinese sensation Ding Junhui heads a group of talented oriental players who are currently emerging on the professional snooker scene, and many consider him to be a World Champion in the making.

A staggering 110 million people watched an 18 year-old Ding score his first ranking tournament win at the China Open in 2005, and in the same year he became the first player from outside Britain or Ireland to win the UK Championship.

After becoming the youngest player ever to score a maximum 147 break during a televised session at the Wembley Masters in 2007, he went on to reach the final, losing to a rampant Ronnie O'Sullivan.

Ding has a poor record in the World Championships, but a solid start to the 2009/10 season sees the 22 year-old superstar installed as one of the fancied runners for this years crown.

MARK SELBY

The Jester from Leicester has broken into the green baize big time over the last few years with several thrilling displays in major tournaments. Selby's breakthrough performance arguably came in the 2007 World Championships, when he staged a number of storming comebacks to reach the final, only to be defeated by John Higgins.

After losing in the final of the UK Championships to a deciding frame 147 from Ronnie O'Sullivan, Selby finally won his first major when he landed the 2008 Wembley Masters.

An incredible comeback from 9-6 down to win 10-9 against O'Sullivan in this year's Masters sees Selby arriving at the Crucible in great shape, and with his natural ability and never-say-die attitude is one of the favourites for the 2010 crown.

STEPHEN MAGUIRE

Ranked number two in the world and once described by Ronnie O'Sullivan as 'the best player in the world' after Maguire had destroyed him in the 2005 British Open, the talented Scotsman has had somewhat of a turbulent time in the sport despite being considered a consistent threat at the major tournaments.

A regular in the latter stages of the major tournaments, Maguire has nevertheless had an ongoing rivalry with 2005 World Champion Shaun Murphy, and in late-2009 was detained by Strathclyde Police on allegations of match-fixing.

Despite this distraction, Maguire has managed to reach three semi-finals this season in the UK Championship, the Welsh Open and the Wembley Masters, and looks to be on course for a strong showing at the Crucible.

WORLD CHAMPIONSHIPS 2010

The main talking point of this year's tournament will be the number of exciting young Chinese potters in the draw, and the millions of fanatical snooker fans watching back in their homeland.

Relative veterans Steve Davis, Stephen Hendry, Ken Doherty – the conqueror of Jimmy White in the qualifiers – and Mark Williams will be bidding to roll back the years and add to their successes in the tournament, but a very tough draw will see them all struggle to make the closing stages.

The battle of the rising stars sees the likes of Ali Carter, Australia's Neil Robertson and Mark Selby attempting to put their name on the trophy for the first time, but will they be good enough to overcome previous winners such as John Higgins, Shaun Murphy and the enigmatic Ronnie O'Sullivan? All will be revealed from April 17th. ♣

WE-THINKS HE DOTH PROTEST TOO MUCH

When Reverend Fred Armfield was collared for patronising a hooker in Greenwood, South Carolina, he cheerfully confessed to police on the spot, even supplying the additional information that he had haggled with the prostitute, one Melinda 'Truck Stop' Robinson, until she halved the price of a ten-dollar blowjob.

Police were not especially pleased, therefore, when, just a few days later, Reverend Fred formally disputed his arrest, shouting the odds about being, "a descendant of the original Moro-Pithecus Disoch, Kenyapithecus and Afro Pithecus," a "living flesh and blood being with sovereign status," and someone who, based on his noble character and morally elevated status in the community, should never ever be prosecuted.

And, just in case anyone in the vicinity hadn't already had their mind blown by his claims, Fred went on to insist that any payment he may have made to 'Truck Stop' was made with Federal Reserve Notes and did not legally constitute a purchase, because Federal Reserve notes are not lawful money. Go figure.

RIPPED FOR RELIGION

Pastor John Renken's Xtreme Ministries of Memphis, Tennessee, is one of an increasing number of churches to employ 'mixed martial arts' – kickboxing, wrestling and other fighting styles – to recruit headstrong or violent young men to the Christian gospel.

After leading his flock in solemn prayer to a loving God, Pastor Renken normally adjourns the session to a seedy back room, where reporters recently found him roaring violent encouragement to his scrapping parishioners. "Hard punches!" Renken shouted. "Finish the fight! To the head! To the head!"

Recruitment efforts usually involve fight night television viewing parties and lecture series which use 'ultimate fighting' to illustrate how Jesus Christ battled for what He believed in. Another reporter noted that the peculiar Ministry's 'motto' is: 'Where Feet, Fist and Faith Collide'.

FROCK HORROR PROBE

Member of the Swedish Parliament Fredrick Federley, who has always sought to occupy the moral high ground in Scandinavian politics, insisting that he campaigns without ever accepting 'gifts' from those he is responsible for regulating, was recently caught out by Swedish newspaper *Aftonbladet* for having accepted a free travel holiday from an airline.

Federley, however, hotly denied allegations that 'he' accepted the trip, despite the fact that he had been seen enjoying himself and that there were receipts and ticket stubs to prove otherwise. Instead, he reminded reporters that he is a notorious and very public transvestite, and informed them that it was, in fact, his flirtatious and less responsible female alter-ego 'Ursula', and not himself, who had gone on the free holiday.

TWO-GUN TEXT

Twenty-two-year-old Dixie dough-head Scott Elder has been charged with shooting a 24-year-old man in Savannah, Georgia, in the course of a violent disagreement which erupted when one of the two strangers fired off a text message to a wrong number. One smart-arse comment led to another, and the argument quickly escalated and eventually went nuclear, with the two gun-toting twits arranging to meet in a downtown Savannah car-park to settle each other's hash.

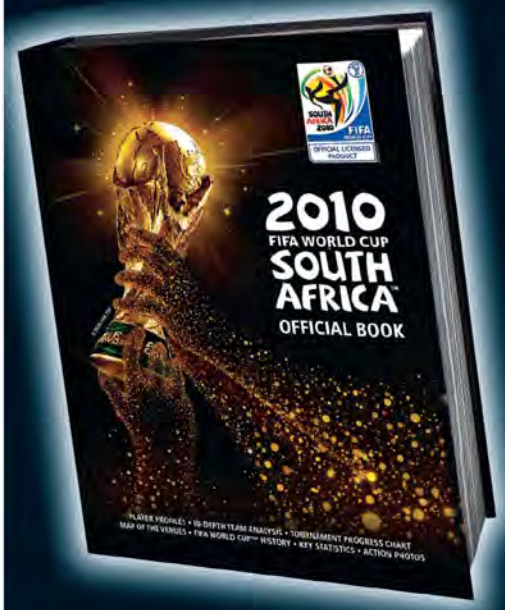
OH, THE IRONY

New Hampshire-based miscreant Guido Boldini and his mother Constance Boldini recently pleaded guilty of soliciting the services of a hit man to kill Guido's ex-wife, Michelle Hudon, following a very bitter battle for custody of their child. The apparent 'hit man' turned out to be an undercover cop, however, and the son and mother are now serving a combined 12 to 35 years in the old grey-bar hotel. We assume they're not sharing a cell.

But the psycho mum and son might have saved themselves the trouble and the time, because while the trial was taking place, unknown to the Boldinis – irony alert! irony alert! – Michelle Hudon died suddenly and tragically of natural causes.

CUP OF JOY!

Get in the mood for the World Cup by winning a copy of the official FIFA book of the 2010 tournament. Come on Lamps!



Now that Sven Goran Eriksson is off taking the Ivory Coast's money (in return for a job lot of old rope) and we've got a manager who knows how to get Wayne Rooney to score goals, optimism is riding sky high that we've finally got a team that will only lose on penalties in the semi-finals of this year's World Cup. Will our thrusting full backs provide the penetration on the flanks we sorely need, or will they give the ball away and be caught out of position as Algeria bag a late winner? Will 5-goals-a-season Carlton Cole somehow get in the squad ahead of 20-goals-a-season Darren Bent? Will we get off work to watch the afternoon games? Who knows, but we'll be there clutching the official book, full of great features and previews, top photography and worrying portents for just how badly England might do. Brush up on your knowledge with all the results from previous tournaments, check the form and read the profiles of the world stars on display (and Steven Pienaar). It's almost like being there, minus the car-jackings.

The 2010 FIFA World Cup South Africa Official Book* is published by Carlton Books, £10.99. They've kindly given us five copies to give away to you, so pop a postcard to the usual *Club* address, or email 'Quarter Final Heartbreak' to *clubint@paulraymond.com

ISIS ISIS BABY!

Enjoy some global spillage...

Like all Americans, 20-year-old porn star Isis Taylor isn't really American.

"I'm Peruvian, Israeli and Scottish," says the girl who was actually born in California. "I think because America was settled by so many different people, we pay more attention to that kind of thing than other people do."

We're just wondering how a Peruvian met a Scot!

"Well, I fucked a guy from Mumbai on set the other day, and I've fucked people from Britain, Eastern Europe and Asia. It's a global village in porn these days. And if we ever meet people from another planet, well, I'd be down for fucking them as well!"

Well, let's just hope they don't gang probe you first... ♣

Hanns HP222DGB

£136.29

www.misco.co.uk

As PC gaming has become ever more reliant on quad processors and games with redonkulously high polygon counts, and the cost of manufacturing big-ass screens has come down, monitors have grown in size. Not for us squinting at something the size of a Casio watch when we're playing *Total War* any more. But some of these beautiful, huge monitors are not only ruinously expensive, they're a little flimsy too. The Hans HP2222DGB's selling point is that it's sturdier than your average monitor. That's thanks to an acrylic screen surface which promises to soak up a few knocks and expand the life of your monitor. So it might not look the sleekest on the block in terms of furniture, but the 22-inch behemoth delivers in on-screen display, 1680 x 1050 resolutions, 15000:1 dynamic contrast and EPA Energy Star 5.0 certification as well. Although if you're looking to save the planet, throw away the monitor and the computer...

Pros: Looks and feels solid, good display, very easy to clean due to its robust nature.

Cons: The casing isn't chat-me-up pretty.

Activision DJ Hero

£49.99

www.activision.com

Okay, so we're a little slow off the block with our review of *DJ Hero*, but we were waiting for it to come down to a realistic price and finally it has. The great idea that underpins it is that not everyone wants to be a guitar hero/singer/drummer. For those of us who grew up on hip-hop and dance music, those undoubtedly great games – *Rock Band* etc. – did leave us feeling a little left out, only allowed to join in on the odd rap track they let through the door. *DJ Hero* rectifies that big style – and here at *Club* we don't use 'big style' very often. There are stacks of club bangers to play with, scratching to incorporate, and they've got a bunch of big name and hip DJ's (including *Club*'s mate DJ Yoda) to get involved on the remix and mash-up side of things. There's a decent tutorial for the turntable and mixer, and the other real joy is that when you're banging it out at 2AM in your living room, some cunt won't be coming up asking you to play 'something good'.

Pros: Stupid amounts of fun, reasonably quick to learn, great music.

Cons: Time to find room for another gimmicky peripheral.

Fujifilm Finepix Real 3d Simulator

Approx £550

www.fujifilm.com

If you listen to Mark Kermode regularly on his must-listen 5Live film review show and podcast, you'll learn that he's a 3D sceptic. And mostly he's right – it is just a gimmick foisted on us by film studios whose DVD revenues have tumbled because we've all got 6 copies of *The Two Towers* now and they want to charge us extra to wear some bent glasses that make it appear as if someone is throwing water at us every half hour. But then again, without the 3D aspect, *Avatar* is just a bunch of noncy Smurfs running around in the woods with history's most predictable plot arc ever. So let's call it a draw for now. Fuji have decided we need 3D photographs as well, using a lenticular screen that fools your brain and eyes into seeing one image from different angles – no glasses required. The results are undeniably impressive, and may well be the next big thing once the price point comes down, as it inevitably will with a haste that'll leave you gutted if you're an early adopter.

Pros: Looks great, no Joe 90 glasses needed.

Cons: Expensive, inessential, not as simple as point and click for truly excellent images. ♣

TONGUE TIED!

Suzie teaches Lucille the raunchy ropes...

Suzie Carina is a past mistress of teaching new porn stars the ropes. But Lucille isn't the ingenue she appears at first. Suzie thinks she's got some veteran porn babe tricks up her sleeve, but every time she rolls one out, Lucille comes back with one of her own.

Suzie's developed a tongue trick that makes girls go bananas when they're having their pussy munched. Lucille goes down on Suzie and shows she's already mastered it. Suzie tells Lucille she can make her cum in 60 seconds, and she does. But then Lucille turns the tables and brings Suzie off in the same time. What gives?

Turns out Lucille picked up her skills watching Suzie perform 'em in pornos. Good job Suzie's got a couple she's never shown anyone yet... ♣

No. 7 – Haley Paige

A tragedy and an unsolved mystery, the death of Haley Paige has never been fully wrapped up in a satisfying way. If her sad demise were an episode of *CSI* you'd be shouting at the screen by the end, as they fail to solve the crime. But it wasn't a TV programme, it was the sadly true end of a young life, goddamnit it.

Paige was born in Mexico with the name Maryam Haley in 1981. Her early years are undocumented, so it was when she hit the age of 19 and began appearing in adult movies that she made a splash. She had been working in her local Blockbuster up till that point but the lure of cash and cock took her into the biz. Before long she was racking up a string of performances in low to mid-budget porn flicks, directing her first adult movie (*Virgin Territory*) in 2006. Her cheery good looks gave her an innocent air, even when she had bell-ends nudging her epiglottis, but it would seem that her choice in boyf would be her undoing. Inkyo Volt Hwang (known in the industry as Wanker Wang) had already been up on charges of physical abuse against Haley when he brought her dead body into an ER in August 2007. They'd been missing for seven weeks, and the rumours started going around that she'd died of a heroin overdose. Other rumours circulated that Hwang had murdered her. Neither could be substantiated, so her death remained unsolved, and any hope of getting an answer out of Hwang evaporated the next month as he was found dead from an overdose. She'll be missed, so it's the least we can do to have a tug in her honour.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: Demi Moore

Let's face it, as with most of the ladies who find themselves in this column, yes you would. Probably more so with Mrs Kutcher. She's a hot woman, and it's only the fact that she's pushing 50 (well, she's got three years to go) that would make you think twice.

But it's hard to pinpoint a time when you'd have gladly doinked Moore without a second's thought. Back when she was in *Ghost* she had a boy's haircut, she looked like a very butch lesbo when she had her hair shaved for the dreadful *GI Jane*, and even when she was getting her hoo-has out in the risible *Striptease* her rippling abs hinted that maybe she'd spent a bit too long down at the gym. So, even though she's a beautiful woman with a toned body and bouncy norks, she's always managed to find something unattractive to do which puts us right off her. Like posing nude but with a baby in her gut on the cover of *Vanity Fair*.

So yes, I would give Demi Moore one, but I'd have to do it without all those images running through my head, as they're all a bit off-putting. And she'd have to keep her yap shut. Oh, and you wouldn't want her and Bruce's kids running around making a load of noise either. Fuck it, you know what? I'll give it a miss. Your loss, Kutcher.

Moore equals less.

WHEN PORN STARS HIT THE MAINSTREAM...

Katie Morgan has a big rack, blonde hair and a cunt that just won't quit so you'd be forgiven for believing she's just another pigshit-thick dick-gobbler from the San Fernando Valley. You'd be wrong. As well as opening her legs and letting men put their wieners in the hole that's between them, the (alleged) genius IQ-level strumpet presents porn documentaries on cable channel HBO in the States, sitting in the nude and talking about the history of adult movies from their black and white early days through to the HD gonzfest they've now become. A funny, effervescent presenter, Katie admirably holds her own on shows such as *Katie Morgan's Porn 101*, on a channel that gives us top quality shows such as *The Wire* and *The Sopranos* (which Katie appeared in as a stripper). It's just a shame that her programmes haven't made it across the pond to us yet. You can always get your hands on so-so comedy *Zack and Miri Make a Porno* as Katie also stars in that, with her bouncy boobs getting an airing. She's deffo one to watch, the kind of porn star who gives the biz a good name. Even if she is only allowed on telly with her minge out.

Major Morgan.

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Man, that Tori Black is one hot bitch, and she damn well knows it. Following her on Twitter gives one a valuable into her hot bitchery, as her tweets are a mixture of sexy twitpics of herself (including quite a few taken on a tanning bed) and then moaning about air travel and 'haters'. The 21-year-old is an avid tweeter, and is more than happy to document what scenes she's gonna be filming (including describing her first anal scene) and giving us on-set sneak previews of her co-stars. Here are a few of her choice tweets:

"Sooo whew! Long day of Call of Duty and laundry lol btw I SMASH on bitches."

"so fucking tired. slept all night but this bed in the hotel room is rock hard. i get really bad sleep :("

"Sidebar- I hate it when vaginas bleed"

"just got home from a hot orgy with alexis texas, kristina rose, monique alexander, lexi belle and georgia jones.. wouldve stayed but i work in the morning... about to hop in bed, i'm one jetlagged chica right now!"

"Getting ready to take lex in the ass again tomorrow... Wish me luck!"

"Headed home with fatburger and a lovely fat dick to sit on. Now THATS how to make an exit"

Not following her yet? Are you CRAZY? The stacked brunette chats with her fans on Twitter so get your ass over to *twitter.com/misstoriblack* and say hello. Tell her I sent you. And prepare to see a lot more of that sweet tush.

HD T&A – THE WAY GOD INTENDED...

British drama *Incendiary* unfortunately didn't set the box office on fire (geddit??!?) on its release last year, which is mainly because most reviewers acknowledged it was an incoherent mess. The tale of a woman (Michelle Williams) who's busy doinking some other fella (Ewan McGregor) while her hubbie's busy getting blown up by a terrorist bomb at a football match, it's actually not a bad watch, but the real reason I'm recommending it here is for one thing. Well, two things. Michelle Williams's lovely crackers. And now that it's out on Blu-ray, you can pause the moment she gets 'em out and gives Ewan an eyeful before letting him give her a reacharound on the sofa, all whilst her betrothed is getting sprayed all over the Emirates. Williams, who's just been in Scorsese's *Shutter Island*, has a perky pair of love-pups and doesn't mind us all knowing, although viewers of the film should be warned that once she's got them out and heard about the death of her husband (oh yeah, and her kid who dies with him), she doesn't seem to be in the mood to get them out again. Can't think why.

TRUDGING THROUGH THE WORLD'S SEX TRIVIA SO YOU DON'T HAVE TO...

The same chemical responsible for the ecstatic highs of sexual attraction, phenylethylamine, is also found in chocolate (so buy your missus a Yorkie next time you wanna get your rocks off)

In Medieval France, unfaithful wives were made to chase a chicken through town whilst naked (apparently, I might add. Although it wouldn't be a surprise. Bloody French)

Humans and porpoises have one social sex practice in common – group sex (although it's undocumented as to whether or not porpoises are swingers)

Wyoming's Grand Tetons mountain range literally means "Big Tits" (it's unknown what the name of the local canyon, Grand Buttholens, translates as)

Up until 1884, a woman could be sent to prison for denying a husband sex (there are worse laws we could bring back...)

PAPAL FRUITS

The Pope was finishing his sermon. He ended it with the Latin phrase, "Tutti Homini" – Blessed be Mankind. A women's rights group approached the Pope afterwards to ask him why he blessed all Mankind, but not Womankind.

The next day, at the end of his sermon, the Pope concluded by saying, "Tutti Homini et Tutti Femini" – Blessed be Mankind and Womankind.

Afterwards, a gay-rights group approached the Pope and said that they'd noticed that he'd blessed Mankind and Womankind, and asked if he could also bless gay people, too.

The Pope said, "Of course". The next day, he concludes his sermon with, "Tutti Homini, et Tutti Femini, et Tutti Frutti."

INDIAN-A-MOANS

A government social worker was visiting a native Indian reservation for the first time.

Over by the general store, a woman was yelling up a blue streak at an old Indian man and he looked like he could use some help. The social worker walked over and broke up the disturbance by pulling the man aside.

"Hey, that lady sure has your number."

"She no lady. She my wife."

"You don't say. What's her name?"

"Wife name Three Horse."

The social worker smiled, "Three Horse? How did she get a name like that?"

"Nag nag nag..."

TROUBLE & STRIFE

A husband and wife are having major problems after 15 years of marriage, so they go to a marriage counsellor. The counsellor, who happens to be a bloke, asks them what the problem is, and the wife launches into a tirade, listing every single problem they have ever had in the 15 years they've been married. She goes on and on and on...

Finally, the counsellor gets up, walks around the desk, embraces the wife and kisses her very passionately. The woman shuts up and stares at him quietly in a daze.

The counsellor then turns to the husband and says, "Your wife is lonely. This is what she needs at least three times a week. Can you do this?"

The husband thinks for a moment and replies, "Well, I can drop her off here on Mondays and Wednesdays, but Tuesdays I play poker, Thursdays I go bowling, and Fridays I go sailing. Do you work on Saturdays?"

DO THE MATH

A guy goes to the supermarket and notices an attractive woman waving at him. She says hello, and he's rather taken aback because he can't place where he knows her from. So he says, "Do you know me?"

To which she replies, "I think you're the father of one of my kids."

Now his mind travels back to the only time he has ever been unfaithful to his wife and says, "My God, are you the stripper from my stag party that I made love to on the pool table with all my buddies watching while that other stripper whipped my arse with a celery stick?"

She looks into his eyes and says calmly, "No, I'm your son's Maths teacher."

BENEFIT FLAWED

A bloke walks into the local dole office to pick up his cheque. He marches straight up to the counter and says, "Hi. You know, I just HATE drawing benefits. I'd really rather have a job."

The man behind the counter replies, "Your timing is excellent. We've just had a job opening from a very wealthy old man who wants a chauffeur and bodyguard for his beautiful daughter.
You'll have to drive around in his Mercedes-Benz CL, and he will supply all of your clothes.

"Because of the long hours, meals will be provided. You'll also be expected to escort the daughter on her overseas holidays. This is rather awkward to say, but you will also have to satisfy her sexual urges as the daughter is in her mid-20s and is practically a nymphomaniac.

"A two-bedroom loft type apartment with plasma TV, stereo, bar, Jacuzzi etc... located above the garage will be designated for your sole use and the salary is £200,000 a year."

The unemployed bloke, wide-eyed, exclaims, "You're bullshitting me!"

To which the man behind the counter replies, "Yeah, well... you started it."

LUNCH-LINE

Three construction workers are 20 floors up on a skyscraper project, taking a break for lunch.

The American construction worker says, "Damn, baloney again! I swear if I have this tomorrow I'm going to jump!"

The Mexican bloke says, "I know what you mean! Burritos again! If I have these tomorrow I'm gonna jump, too!"

Then the Irish worker says, "Feckin' corned beef again! If I have this tomorrow oi'll jump!"

Next day, the American dude opens his lunchbox, looks inside, and then sails off the building to his death.

The Mexican dude follows suit after finding yet another burrito in his Tupperware container.

The Irish guy opens his and yells "Feckin' corned beef!" as he plummets to his death.

A few days later at the funeral, the American's wife says, "If only I'd known. I would have sent him with something else."

The Mexican's wife repeats the sentiment, "Yeah! I would have sent tacos, enchiladas..."

The Irishman's wife sits silent, and the other two wives start glaring at her. Eventually, she says, "Hey, don't look at me! He packed his own lunch."

SCRUBS UP

A beautiful young woman about to undergo a minor operation is lying on a gurney in a hospital corridor awaiting the medical staff.

A man in a white coat approaches her, lifts up the sheet, and visually examines her naked body. He walks away and confers with another man in a white coat. The second man then approaches the girl and performs the same examination. When a third man approaches her, she asks impatiently: "These examinations are fine, but when are you going to start the operation?"

He shrugs and says, "Your guess is as good as mine, lady. We're just here to paint the halls."

BRA WARS!

Megan's busting out all over...

Megan is thinking of giving up on bras altogether. Rejoice, men of the world.

"I'm sick of them for so many reasons," complains the 21-year-old from Wisconsin. "It's hard to find them in the right size, so they're uncomfortable. They're really restrictive around my titties and guys turn into total dicks when they're trying to take them off."

Maybe you should offer masterclasses to *Club* readers in how to remove them.

"That's not a bad idea. It can really blow a horny evening when I want a guy to suck on my tits but he can't get my bra off. Up your skill sets guys!"

Line up for practice, fellas, volunteer Megan will be our very first bra-removal masterclass guinea pig... ♣

NAME: Kayla **AGE:** 19
VITAL STATISTICS: 34B
WHAT'S SHE LIKE? A bundle of fun it's hard to keep up with.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
Why not? I want to be in all the porn mags – well, except for the grotty gran ones! – and *Club* always has the fittest birds.

YOU SEE TO BE QUITE ENERGETIC...
You're right. All I want to do is burn off energy every day, and sex is the best way to do it. I get a bit stroppy if I don't get sex at least once every day.

SO YOU GO THROUGH A LOT OF BLOKES, WE IMAGINE...
I've got a couple on the go at any one time. I like to rotate them so I don't wear them out!

ANY PREFERENCE, SEX-WISE?
I don't care too much – if I'm getting some, it's all good. But usually you don't have to do too much work. Just lie back and let me bounce around on top. I'm like the bunny with the good batteries in!

WILL WE SEE YOU AGAIN?
I hope so. I hope all your horny readers write letters in telling me they like me – and what they've been doing to themselves looking at my photos. Make sure that you send 'em all on to me so I can have a good old wank while I read through 'em! ♣

ALBUM REVIEWS

MGMT
Congratulations (Sony)
2008's big boys from Brooklyn are back with more party anthems. The summer is knocking down our doors so throw a house party and try and get some birds to come. If successful, ply them with cheap ale and jam them with 3 digits.

PLAN B
Defamation of Strickland Banks (679)
Talk about a U-turn – this guy has totally changed his repertoire. Gone are the days of bad boy rap as Plan B shows off his vocal skills with an album full of soulful charms. Cook a meal, open a bottle of wine, and she'll be foaming at the gash before you've finished the garlic mushrooms.

KIDS IN GLASS HOUSES
Dirt (Roadrunner)
Disabled toilets in Welsh rock clubs can be great places to get a blow job. Brush up on your teeny punk pop and head off to your local student night. Bonus points for cumming down their skirt.

MEAT LOAF
Hang Cool Teddy Bear (Mercury)
Everyone likes a bit of MILF every now and again. Is it the slack fanny, old skool pubic hair, or the fact that they love young cock? Either way, Meat Loaf is a one way ticket into your Mum's mates double gusset.

SWEET APPLE
Love & Desperation (Tee Pee Records)
Dinosaur Jr. were massive back in the early 90s grunge scene and Kurt Cobain was a big fan. Lead singer J. Mascis is still rockin in the form of Sweet Apple, who ironically, sound like early Foo Fighters. A decent buy if you're sick of the usual shite.

FUCK FACTORY...

Club chats to legendary Fear Factory and Arkaea drummer, Raymond Herrera...

What do you do when you're not bangin' your Mrs and your drums?
I love computer games – they are the one thing that I've been into since I was a kid. Ever since the Atari 2600 came out, I've been into games. All the systems, I'm totally into it. I love it.

Did you ever get into programming computer games?
No, but I have a lot of friends who do programming for video game companies. We try and get our music into games and that's pretty much our involvement in the gaming industry.

Ever been to Jamaica?
No, but I have friends that have been there who said it was awesome. I guess it would be cool to go but I don't drink or smoke or anything and I guess that would be one of the main things. My wife drinks and smokes so I guess she makes up for it.

So, what do you do as a personal reward then?
I eat a lot and I play a lot of video games. My reward is being able to do what I do for a living.

Do you shag lots of groupies?
I've been married since 97. Before that we were boyfriend and girlfriend since 92!

Fair play. What kind of women do you like to look at?
Petite Spanish women. That's what I like and that's what I got! I guess I got lucky.

If you could make love in any car, what car would it be?
An SUV I guess, maybe a Lincoln Navigator. And then you gotta lot of room! Either that or a truck with a bed in the back.

Do you ever carry porn on the tour bus?
We have a friend who makes sound effects and stuff for a company called Private and he just gave us 10 or 12 DVDs to watch. He makes all the slaps and grunts for all the films. He just slaps his leg and records it! I was trippin' out! He knows exactly how to slap his leg to make it sound like he's slappin' somethin' else. I was impressed. I didn't even know about that, I thought it was all recorded live but I guess they use over dubs. I also got a couple of friends back in the States that have porn production companies so they send stuff out to us sometimes, so its all cool.

Classic. Do you like your ladies shaven or bushy?
Not shaven or bushy – trimmed.

And if you got killed tonight, how would you like to be remembered?
I guess as a good person who got to do what he wanted to do.

Nice one Raymond. Keep on bangin'. ♣

LOVE!

ON THE GAME

SAM & MAY BEYOND TIME AND SPACE *(Telltale Games)*

Wii

★★★★★

While this has been around on PC and Xbox Live Arcade for a while, *Sam & Max* should find another new audience as the series of adventures games comes to the Wii. A classic point-and-click LucasArts adventure in the DOS days (and a much-loved Steve Purcell comic for us aficionados), Telltale Games have done a fantastic job of reviving the adventures of the unlikely freelance police duo with their episodic downloads. Expect head-scratching puzzles, but also big laughs, cartoonish violence, wisecracking dialogue and an experience you won't get anywhere else in adventures – and that's word to Guybrush Threepwood.

MOTO GP 09/10 *(Capcom)*

PS3 / Xbox 360

★★★★

As any fool knows, Moto GP knocks Formula 1 into a cocked hat in terms of spectacle. While Alonso, Button et al make the spectator endure a procession, Moto GP has thrills, spills, overtaking and crashes that really look dramatic. Capcom's *Moto GP* series doesn't stint on the realism, and graphically it's breathtaking. But that counts for nothing if the gameplay doesn't deliver, and it really, really does. As well as following the regular championship season, you can partake in career mode, or just race online to your hearts content. It's got a steep learning curve, but once you're leaning into the bends like a pro, you'll be hooked.

YAKUZA 3 *(SEGA of Japan)*

PS3

★★★

Like fighting? You better do. A PS3 exclusive, Yakuza 3 is pretty much the successful Japanese game – complete with Japanese language – with some bolted-on subtitles. But it's as close as you're going to get to a conversion, so suck it up. Back to the fighting, which is pretty intense and hardcore as you play the role of Kazuma, beating the shit out of everyone when he just wants to run his nice orphanage. The storyline is actually pretty good, and propels what could have just been a relentless twat-em-up. There's a touch of *Grand Theft Auto* to the gameplay. But with much more twatting, obviously.

LODGER LUST

When I split up with my boyfriend I found a room in a big flat with a couple, Sandy and David. It was very nice for the money – they weren't poor, so I didn't know why they felt the need to share their living space with a stranger. But I had fun finding out!

One Friday, Sandy said David was leaving her in on her own, and would I like a girls' night in? Sure, I said, and after some wine and a chick-flick she suggested watching one of Dave's porn films, just for fun. But it was hot stuff and I felt myself get wet between the legs. Then, as we watched a lezzie scene, Sandy gave herself a sneaky rub through her panties, explaining, "It gets me like this every time…" when I saw her do it.

I asked was she trying it on with me, and she said "Yes. Who wouldn't?" and next thing we were kissing on the sofa. When we paused for breath, she told me David was due home any second. "So?" I said.

"So let's get naked for him," she smiled.

That's how he found us, me with a big mouthful of tit while Sandy ground her wet twat against my thigh. He just stood there grinning, then undressed and started wanking over us.

Sandy said she had a radar for girls who liked getting dirty both ways, and it had gone haywire when they'd met me! I proved them right by reaching for David's cock, jerking it against my tits and face, then taking it in my mouth.

Now Sandy was sucking my boobs, fingers creeping toward my pussy. She stroked them along my slit, then buried a couple inside. My moans were damped down by the meat I was blowing, as she told me how tight I was, how good my cunt would feel around his cock. Well,

"Her fingers crept towards my pussy. She stroked them along my slit, then buried a couple inside…"

he was certainly cramming my mouth to absolute capacity.

I let him slide out, a string of saliva hanging between my tongue and his cockhead. Then I stroked his spit-wet dick and said we should find out how good.

He wanted to do me doggie style, but Sandy didn't want to move, so he spooned me instead, moving in close behind and penetrating my pussy, with help from Sandy's guiding hand. She caressed his wet shaft on the outstroke, licking her fingers. Then he ploughed in deep and slow and she fondled his balls, his thick dick seeming to swell and pulse each time she squeezed.

She let me taste myself off of her fingers, too, and then I said I wanted to sample her juices. She sprawled out on the couch, thighs spread. Now David got to fuck me from behind as I dove my face into Sandy's fanny. He took it slow at first, burying his cock deep and stirring it around, so my mouth moved in the same circles on her cunt. Then as I ploughed my tongue into her hole, he thrust in and out, humping my face against her.

Later she said the sight of him fucking me,

his crotch bouncing off my firm ass cheeks, was the final trigger – though she'd never had such a good licking off of any woman before. Now I pulled away from her and looked over my shoulder at David. Immediately he began to pound me hard. I wedged my hand over my clit, letting the friction build; then as I came I felt him blow his load too.

I put my hand over my hole as he pulled out, keeping the jizz inside of it. So when Sandy slid underneath to eat it out of me, she got his whole load down her throat. Then she just kept on sucking me. My cunt was hot and sensitive from one orgasm, so it didn't take much before it was pulsing around her tongue, throbbing as she gulped my juices down.

Living with David and Sandy has turned out to be one big fuckfest! I'm not in any hurry to move out and, while I guess I need to find a man of my own, I'm hoping to hook up with another swinger so we can upgrade to foursomes!

WORK PERKS

When Natalie and I first met at the office, we hated each other on sight – I think we were too alike, two queen bees in competition. Lucky for us we got really pissed at a work do, and had the best fun teaming up to cocktease our male colleagues! But it came back on me – no man in that room wanted Natalie as badly as I did by the end of the night.

Back in my hotel room, I fucked my own fingers till I couldn't cum anymore. I got a couple of hours of sleep before loud knocking on the door woke me. It was Natalie, saying she couldn't sleep for thinking about me. Her hair looked like she'd been tossing and turning, and she said that when I'd kissed her and caressed her tit – showing off for the guys – she'd almost cum on the spot.

I asked did she have sticky fingers too. "No, a sticky vibrator," she smiled, and I sent her to fetch it. She'd wiped it clean but I could smell her pussy on it. As I breathed in the scent, I stuck my hand back in between my legs, frigging slow and hard. And now she let her robe fall to the floor, and joined me on the bed naked.

She took my hand, pulled my fingers free of my hole, sniffing and then sucking them clean. Then she maneuvered her fanny up against mine, scissoring me. She was so wet I felt the juices flow out of her, soaking my slit. Then she poked the vibe in between us, up against our clits. My twat tensed as she switched it on and turned up the power, then we were fucking each other hard, rubbing up together. She came so hard I actually felt it inside of me, then she pulled back and slid the vibe deep in my minge.

She fucked me deep, relentless, pumping the entire length into my hole and squeezing my clit between her fingers and the shaft, till I was

cumming like crazy. No let-up just yet, though – she had me raise my bum, weight resting on my shoulders, and fucked me again, blood running to my head. Next time I came, it felt like my orgasm was pounding through my brain as well as my pussy – the ultimate climax!

Nobody at work knows what happened that night – or since. But now we're tired of keeping the secret, so we're going to let the cat out of the bag. For the past month or so we've been building a website, with plenty of dirty pictures of the two of us going at it. There'll be no big announcement, we'll just see if anyone from work discovers shots of me eating Natalie's arse, or her dildo-fucking me while I bend over and touch my toes in stockings and garters. Okay, if they're slow to find it, we may have to fire off a sneaky email or two!

We're getting so excited we're finding it tough to get any work done. The other afternoon, Natalie texted me, telling me to meet her in the bathroom. She wanted licking and so I bent her over the toilet and chowed down on her wet cunt as I touched a little pocket vibe to her clit. She had to bite down on her sleeve to keep from screaming, and then she fingered me to orgasm before we went back to our desks. But by the end of the day, we just wanted to fuck again.

We're also contemplating fucking some of the blokes from the office, dragging one or two into the storeroom and giving them a bonus. And it won't necessarily be the good-looking ones, just those who'll appreciate getting sucked and fucked by us the most!

It's not very professional, but if I've got to work for a living, I may as well enjoy it – and if I get fired, at least it'll have been totally worth it!

Sarah, Rutland

"The harder she sucked, the quicker and deeper she fingerbanged that tight arse..."

FOUR-PLAY

My girlfriend Gayle and I love going to dyke clubs. We're lipstick lesbians and like to fuck girls just like us, and recently we met a couple of strippers, Nina and Helene. They'd started getting off with each other after shows, to work out their frustration following all the look-but-don't-touch rules. So we got invited to watch them perform, and then to hang out with them after their shift.

They were two hot blondes with a sweet tooth for brunette cunt, and we paired off with them to start – Helene liked Gayle's tattoos, leaving me with her super-stacked girlfriend. And while Nina got three fingers in my cunt almost the moment we were naked, she needed a heavier hit of fucking herself.

She asked me if I wanted to fuck her with her strap-on, which was such an arousing idea. It felt strange harnessing a big fake knob to my pussy, but the sexy look in her eye as it sunk into her twat, and her moans and cries as I fucked her hard, soon got me creaming.

Gayle and Helene were sixty-nining, Helene tonguing my girlfriend's crack as she spread wide for her own sucking. I'm not a jealous girl, but seeing the pleasure she was getting, the way her body tautened and shivered with every lick, had me pounding the dildo harder into Nina's cunt. And my fingers on her clit and my mouth on her nipples had her writhing under me, twisting on my pole – I felt so much satisfaction that she was the first to cum!

Nina was spent and so I crawled over to the others, sticking my dildo in Gayle's face, still drenched with girl-cum. I told her to lick it, but she took it in her mouth, sucking up every drop as she swallowed the entire shaft. It looked like she was making up for all the cock she hadn't sucked while she'd been eating pussy.

She didn't leave Helene hanging, though – she wet two fingers in her cunt, then slid them into her arsehole, pumping in a frenzy. And the harder she sucked – her free hand wanking the shaft in and out her mouth – the quicker and deeper she fingerbanged that tight arse.

Now Nina threw herself back in the mix. As Gayle blew me, she got in behind, pulled the harness sideways and began to lick my crack, her tongue thrusting deep, mumbling that maybe I could do Helene in the bum while she had some fun with Gayle.

Hearing her name, Gayle spit out the dildo, her face a mess of cunt cream and smeared lipstick. Nina got in her face for a stand-up sucking and I watched her rock her pussy on and off of Gayle's mouth.

Helene stayed on her back, playing with her own tits, legs up and back to expose her arsehole. So I knelt down and slowly inched the dildo in her

tightest hole, watching the look on her face as she took it deep.

I've cum on the end of Gayle's tongue so many times, I got a kind of sympathy twinge deep in my cunt from Nina's moans, knowing what she was feeling. But my attention was totally fixed on Helene, on her squirming arse as I plunged in deeper and deeper.

Now Nina straddled Helene's body, while Gayle squatted on Helene's face. Then Gayle went back to sucking Nina's clit, fuelled by licks from Helene, while I got three fingers in Nina's pussy from behind.

It was like one big circle of girl-fucking, and as my head swum from the pleasure I lost all track of who was cumming. Just as I felt Helene's arsehole snap tight around the dildo, Nina's cunt rippled against my fingers. My pussy was throbbing but I didn't cum – yet.

Finally Gayle said it was my turn, and so the three of them laid me down, Nina eating me while Gayle and Helene sucked on a tit each. It was total and utter pleasure coming at me from every angle. It took me less than a minute to cum, and when I did, I'm certain I filled Nina's mouth with juice – it was the most intense orgasm that ripped through me. I can't imagine how Gayle and I will top that night – but that won't stop us trying!

HOMICIDE: LIFE ON THE STREET (FREMANTLE MEDIA ENTERPRISES (£79.99)

Lots of TV shows are touted as being seminal, or 'without this, that wouldn't have happened'. Well, *Homicide* really is that show, a genuine gamechanger that gave the hoary old police procedural a kick up the arse. David Simon based the critically acclaimed show on his book *Homicide: A Year on the Killing Streets*, based on time he spent shadowing the Baltimore Police Homicide Unit. It was that sense of reportage that gave the drama its kick, in addition to superb directors (including Kathryn Bigelow, Barry Levinson and Ted Demme) who brought visual grit underpinned by a fine ensemble cast. Richard Belzer, Yaphet Kotto and Andrew Braugher are front and centre, but there are decent roles for a pre-*Sopranos* Edie Falco, veteran Ned Beatty and James Earl Jones. This 33 disc collection will keep you ticking over for many a night in, and there won't be a wasted episode. ★★★★★

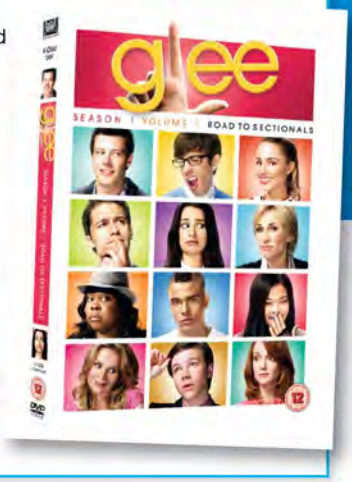
FIST OF LEGEND (CINE ASIA DVD £17.99 BLU-RAY £24.99)

Jet Li, like Jackie Chan, is always at his best when he's not trying to cross over to an American or pre-teen audience. Give him a bunch of fellas to do chop-socky on, a ponderous script, some boxes to kick over, and he's in like Flynn. This is an updating of the Bruce Lee 'classic' *Fist of Fury* (*Enter the Dragon* aside, Lee was in some sorry shit) with Li taking the role of Chen Zhen, a kung fu student who returns to China after studying abroad to find that his homeland has been occupied by the Japanese. Nationalistic story aside, this is all about Li kicking ass and some fine fight choreography that will be lapped up by connoisseurs. ★★★★

Glee Season One (20th Century Fox, £27.99)

At first glance, *Glee* looks like some horrid day-glo T4 bullshit ideally plonked right after *Hollyoaks*. And on second glance, it looks like that too. But stick with it, and its comically dark heart will out. A chirpy Spanish teacher tries to inject some life into the glee club at William McKinley High School, and how much you get on with this show will depend on how much you like the musical interludes, which err on the saccharine. In fact, the whole thing flounders when Jane Lynch, veteran of many a Christopher Guest movie, isn't on screen. When she is, it's dynamite, when she isn't, it's a damp squib.
★★★



Hard Revenge Milly (Cine Asia £17.99)

You'll have to go some to beat the classic *Story of Ricky* for extreme comedic gore, but that doesn't stop dozens of Asian directors from trying. Both of Takanori Tsujimito's movies about Milly – *Hard Revenge Milly* and *Bloody Battle* – are collected in this double pack, and it really is a viscera-soaked night in. After watching her husband and child being murdered as she's tortured, Milly awakes with a partly-mechanized body and a lust for bloody revenge that straddles both movies. Limbs are ripped off, there are swimming pools of claret and it's all so much more fun than tiresome Western torture-porn. ★★★

Humpday (Momentum Pictures £15.99)

It sounds like an uncomfortable watch – a tale of two friends who've dared each other to enter an amateur porn contest by filming a scene together. But... actually, it really is an uncomfortable watch. That's not a bad thing, it actually makes this into an interesting indie with excellent performances and a realistic attitude to male relationships that takes this beyond the thumbs up gurning of lad's mags (I know, coming from a porn mag's reviews page...). From a female director to watch, this is well worth chucking on. Just not with your best mate. ★★★★

The Informant (Warner Home Video DVD £19.99, Blu-ray £26.99)

Steven Soderbergh certainly knows how to entertain himself – flitting between Hollywood confections, arthouse movies and lighthearted comedy. Unfortunately, that doesn't mean we're always entertained. After the worthy-but-dull *Che* and the diminishing returns of the *Ocean's...* series, this is another misstep. He's got the true story of a corporate whistleblower and an in-form Matt Damon on his side, but there's an unevenness of tone throughout. Is this a ripping yarn or a tale of corporate malfeasance like *The Insider*? We're none the wiser. ★★

Because libraries smell of wee and impending death...

Blood Ninja – Nick Lake (Corvus £11.99)

Vampire and zombies, there's no escaping 'em. We were in danger of tripping over werewolves every time we indulged in some pop culture as well, but hopefully the hopeless muddle that was *The Wolfman* has put paid to that. Nick Lake brings us a heady combo of ninjas and vampires, blood curses and a Japanese peasant boy called Taro. It's aimed at teenagers (well, young adults), but will find fans in that *Twilight / Being Human* hinterland as well.
★★★

Century of Scandal – Sally and Geraint Humphreys (Haynes £18.99)

You could probably Google most of the stuff in these pages, but we've never fancied booting up our laptop when we're pinching one off, so books like this are still perfect loo fodder. Many of these are tried and tested – Lord Lucan, Twatbox Archer and Monica Coghlan, Bill Clinton, *Life of Brian* for fuck's sake – but with sections on sport, movies, drugs and alcohol, this is all cisterns go.

PEACHES

The place to be for the world's dirtiest backdoor sex stories. Because the wrong 'un feels so right...

CUNTRY CLUB

I first met Lisa when I worked in a country club stable during a long University summer holiday – she was some rich bloke's spoiled-brat daughter. I should have hated her, but I just wanted to fuck her! I always made sure I was around when she came trotting back from a hard, fast ride, her big, natural tits bouncing with each stride and her thighs gripping the saddle tight. She'd just slide off, hand me the reins with barely a look, let alone a word, and strut off.

One day I got curious, handed the horse over to another groom and followed her into a barn. I hid and watched as she stripped off her shirt and tight tan pants, keeping on her leather boots. Then she lay back in the hay, splayed wide and began to finger her cunt.

I had a hard-on before she even got naked, and now it was threatening to punch its way out of my jeans. So I just walked right out in front of her, and said, "A little less friction, please. You don't want to spark a fire in here."

She wasn't bothered, just carried on strumming away, looking me in the eye. After a long pause she just told me, "Show me your cock." Like fucking her was all part of the service. I undressed and got down on my knees, giving her slit a licking – just gentle swipes along her clit as she pulled herself open for me. Then I gave it the same treatment with my moist-tipped dick, teasing her.

"Okay, you can fuck me now..." she said. That's when I made it clear she wasn't the boss of me right now.

"Show me your arse first," I said.

She gave me a steely look, then laughed and flipped over onto her belly, sticking her bum up and out, puffy pussy lips peeking out between her toned cheeks.

I played with her for a while, kneading her cheeks, batting them with my palms while she squealed with pleasure. Demanding a fuck got her nowhere so she shut up, though her arse was quivering as I positioned myself behind her.

"Ahh..." she moaned as I sunk in and began to bang her, fucking in hard and fast. I halted, still inside of her but leaning forward to cup her huge tits. My fingers found her nipples and tweaked them, which made her snatch clench around my shaft.

"Next," I told her, "when I've shot my load in your cunt, I'm going to take you outside, bend you over a tether rail and screw you in the arse. Let everyone watch." We were staying right where we were, of course, but my words had the desired effect. As I stuffed her pussy again, she kept begging me to stick it in her arse.

"We fuck my way or we don't fuck at all," I told her. So she shut up again and clenched her pussy as I screwed myself to the brink. Then I withdrew and used one hand on her clit, one on my dick, so she was cumming as I splashed hot cream on her arsehole.

I smeared and licked it in, desperate to get hard again, and she was rubbing herself, cumming over and over. Finally, I touched my helmet to her arsehole, then pushed in. She'd clearly taken plenty of cock in her arse before, as she just breathed deep and opened up, furiously rubbing her clit as I sunk in, right down to my balls. I still took it slow but she was moaning, "Harder! Harder!" so I began to slam her. She began to climax again and was still cumming when I was blasting out my second load, pulling out to decorate her arsehole.

"I was blasting out my second load, pulling out to decorate her arsehole..."

The next time I saw Lisa, she just handed her horse over to me like nothing had happened. Maybe she did just want a one-off fucking, maybe she's toying with me. But I'll take any chance I get to fuck that wet cunt and tight arse again.

DOUBLE DIAMOND

Usually, when I go home for xmas, I hook up with my ex, Mark, for some friendly festive fucking. So I wasn't sure how he'd take it when I brought my new boyfriend home this time. But they were both great about it – we had a few drinks together, then a threesome!

Jack's a voyeur. He loves watching porn, or just beating himself off while I walk around naked or play with myself. So the private sex show Mark and I gave him was like an extra gift! I moaned, splayed out as Mark's tongue and fingers found my hot spots. Then he slid his dick inside of me and started to bang me, leaving my bare tits to bounce freely.

Jack wanked slowly, keeping himself hard but saving his cum for me. Mark slammed me hard, then came inside of me. I thought he'd pull out and splurge on my tits, but he filled my cunt instead. Then he crouched over me in a sixty-nine. His cock, still hard and twitching, dangled

over my face, so fucking tempting. But even the slightest suck so soon after he came would have sent him through the roof. So I let him do his thing, using his cum to lube up my arse. I'd told him how Jack loves to bum-fuck me, and he was prepping me ready to take it high and hard.

"Roll over," he told me, so I got on all fours and he slid two fingers into my arsehole, then pulled my cheeks wide open, tempting Jack. I braced myself – I knew Jack's knob would be like a steel pole as he got in behind. Then he slid it into me slowly, stretching my hole around his helmet before penetrating me with his entire length.

Mark watched as Jack fucked me, walking around back to see him thrust in, his balls touching up against my pussy lips as he sunk in deep. But he soon joined in the action, rubbing my clit so I squeezed my boyfriend's meat, then moving in front again, finally able to offer me a mouthful of cock.

It was still wet, coated with my juices and the spunk he'd shot inside me. I sucked him down, caressing his balls. The first time I ever blew Jack I'd deepthroated him – now he could see where I'd learned how.

I'd never felt so totally fucked. Mark's helmet swelled in my mouth, the skin stretched tight, and Jack's huge dick was satisfying my bum. Sure, my fanny was empty but the afterglow, the warm wetness still seeping out and down over my clit, more than made up for that.

Every thrust of Jack's dick in my bum got me sucking even harder on Mark's. I knew the man so well I realised a full minute before he came that he was close to the brink. His balls were tightening in my hand, his helmet jumping against my tongue and the roof of my mouth. I got a taste of salt and then he shot his muck, big gobs of cum exploding out – too much to swallow so I let it dribble out onto my tits.

All I had to do then was turn around, look back over my shoulder and lick my creamy lips. That was the only trigger Jack needed – I felt his spunk flood out in waves, all around his cock and deep into my arsehole.

With the boys out of the game for now, I gave myself another frig, Jack's cum oozing out of my arse as my crotch rippled with pleasure. I lay down on the bed, talking dirty to Mark, cupping his balls while Jack was in the bathroom. He told me he'd got jealous on hearing I'd found a new boyfriend, but he approved of Jack and didn't expect me to survive without cock!

I said I needed it like other girls need oxygen, and proved it by sucking on Jack's dick as soon as he emerged. Soon Mark was balls-deep in my cunt, groping my tits. I'm not even sure whose hand found my clit and I didn't care – all I knew was that it got me screaming and clamping tight around the dick at each end of me. Not for the first time that night, and not for the last!

ALEKTRA'S DIRTY MIND (WICKED)

Alektra Blue had a much dirtier mind before she was a contract girl. However, she didn't look half as good as she does now. So while her sex may have got softer, it definitely looks sweeter. She's in prettier company too, Brynn Tyler, Brooke Haven and Bella Cole being the rest of the tooth-rotting eye candy on display in this slender effort. It's got the Wicked gloss you expect, but often feels like it's just something for Alektra to do until they come up with a good idea for her. Here's one: All the Wicked girls get done up the bum. You can have that for free. ★★★

SLUTWORTHY (DIGITAL PLAYGROUND)

We imagine that if you called most girls 'slutworthy', you'd be met with a swift slap to the face. But in pornland it's different. Of course, it's all in how you say it. Telling a porn she's a 'right slag' is probably the wrong way to go about it. Most of the 'slutworthy' sorts on display here are new or newish – we've shaken our bacon to Kagney Linn Karter and Madison Parker before, but we're delighted to make the acquaintance of Kasey Chase and Mallory Rae Murphy. Sluts. ★★★★

GARDEN OF ENGLAND (FILM EROTICA)

Film Erotica sure do like their outdoor locations. Well, I don't, mostly because there's always a fly buzzing around someone's arse, or a distracting beetle in the background. Happily, all the action worth speaking of here happens behind closed doors. Angel Long, Renee Richards and Suzie Best have all been around the block marked 'knob' far too often to disappoint. Renee and Suzie share a load, Angel gets bummed. All this, and a marked lack of beetles. Winner. ★★★★

GIFT OF GAB

Gabrielle proves that dreams can come true...

Jeez, Gabrielle, you're taller than most of the blokes at *Club*, did you get stretched on a medieval rack or something?

"Tall women run in my family. In fact, I've got a sister who's 3 inches taller than me."

Do you have a hard time finding a man who measures up to you?

"That doesn't really bother me. Even short men have big dicks, I've found. The only downside with really short men is that 69's don't work out too well. I've got a dick in my mouth, and they only reach my bellybutton. It sucks."

Not for the blokes.

"No, but it does for me. Maybe I need to have a no 'Time Bandits' policy from now on..." ♣

PRAGUE SPRING!

Marketa's bloomin' marvellous...

Club favourite Marketa is a happy bunny. Once it's no longer freezing – and it's fucking brass monkeys in Prague in winter – she cheers up no end.

"I get to break out my skirts and bikini tops," she tells us, "I can get some sun on my skin and also show guys what they're missing."

Well, they're not missing it if they buy *Club*, are they?

"No, but I want to have an all-over tan for *Club*. I don't want that strange look where my body is tanned but my tits and arse are pale."

That's very considerate of you.

"Hey, I'll do anything for my fans. Maybe some of them should come to Prague once it gets cold again. A couple of men in my bed in December would work wonders..." ♣
